DEAR APPLICANT LETTER

Dear Applicant:

The Secretary invites new grant applicants for FY 2011 funding under the Centers for Independent Living (CIL) program, authorized by Title VII, Chapter 1, Part C, of the Rehabilitation Act of 1973, as amended (Act). We are sending you an application package containing information necessary to apply for a FY 2011 grant.

The Secretary is authorized to make grants to eligible entities for planning, conducting, administering and evaluating centers. Eligible entities are consumer controlled, community-based, cross-disabilities, nonresidential private nonprofit agencies, in or bordering on States in which the entities plan to establish centers. An entity presently operating a center supported by Part C may apply in this competition to establish another center in a different area. This new center must meet all of the criteria of a center with the exception that it may share a governing board with the original center.

An application must contain information that: (1) satisfactorily demonstrates to the Rehabilitation Services Administration (RSA) that the applicant entity meets the standards described in Section 725(b) of the Act; (2) contains the assurances described in Section 725(c) of the Act; and (3) is consistent with the State Plan for Independent Living (SPIL) in the State in which it plans to provide independent living services.

Consistent with the order of priorities in Section 722(e) of the Act and the respective SPILs, new CIL competitions will be conducted with the Title VII, Chapter 1, Part C funding amounts specified below in the following State and outlying area:

American Samoa ----- \$154,046
Washington (Snohomish, Skagit, Whatcom, San Juan, and Island Counties) ---- **\$192,481**

Application Procedures

This package contains instructions and forms for preparing an application. Please review these materials carefully. Your application must comply with each requirement and be received by the Department by the application deadline date specified on the front cover of this application package.

Applications for grants under this competition must be submitted electronically using Grants.gov Apply site (www.Grants.gov). Please read carefully the document that we have included immediately following this letter, which includes helpful tips about submitting electronically using the Grants.gov Apply site. Please note that you must follow the Application Procedures as described in the Federal Register notice announcing this grant competition. Information (including dates and times) about how to submit your application electronically, or by mail or hand delivery, can also be found in Application Transmittal Instructions for Intergovernmental Review of this application package.

In order to receive an exception to the electronic submission requirement, you must explain the reason or reasons that prevent you from using the Internet to submit your application. Address

your request to: Timothy Beatty, U.S. Department of Education, 400 Maryland Avenue, SW., Potomac Center Plaza, Room 5057, Washington, DC 20202-2800. Please submit your request no later than two weeks before the application deadline date. If you are granted an exception, your paper application must be submitted in accordance with the mail or hand delivery instructions in the Federal Register notice announcing this grant competition.

Regulations for this program are contained in 34 CFR 364 and 366 can be found in Section E of this package. The Secretary will evaluate each application under this program by using the selection criteria in 34 CFR 366.27. See (Section D of this package.)

Grants funded under this program are also subject to the requirements of the Education Department General Administrative Regulations (EDGAR), which set forth all general rules affecting application submittal, review, grant award, and post-award administration for Department of Education grant programs. These regulations were published in the Federal Register at 34 CFR Parts 74, 75, 77, 79, 80, 81, 82, 84, 85, and 97. In addition, the Department requires the applicant to provide a Disclosure of Lobbying Activities form, a Certification Regarding Lobbying Activities form and a Certification Regarding Lobbying for Grants and Cooperative Agreements form.

Thank you for your interest in the centers program. If additional information is needed, contact Timothy Beatty at (202) 245-6156.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry: To do business with the Department of Education, you must--

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the Central Contractor Registry (CCR), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active CCR registration with current information while your application is under review by the

Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2-5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see www.grants.gov/section910/Grants.govRegistrationBrochure.pdf).

7. Other Submission Requirements: Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the Centers for Independent Living program, CFDA Number 84.132A, must be submitted electronically using the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the Centers for Independent Living competition at www.Grants.gov. You must search for the downloadable application package for

this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.132, not 84.132A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received--that is, date and time stamped by the Grants.gov system--after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.
- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection.

Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at <http://www.G5.gov>.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a .PDF (Portable

Document) format only. If you upload a file type other than a .PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under For Further Information Contact in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to

Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because--

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Timothy Beatty, U.S.

Department of Education, 400 Maryland Avenue, SW., room

V. Application Review Information

1. Selection Criteria: The selection criteria for this competition are from 34 CFR 366.27 and are listed in the application package.

2. Review and Selection Process: We remind *potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d) (3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.*

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

Additional factors we consider in selecting an application for an award are comments regarding the application, if any, by

the Statewide Independent Living Council in the State in which the applicant is located (see 34 CFR 366.25).

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. Performance Measures: Pursuant to the Government Performance and Results Act of 1993 (GPRA), the Department measures outcomes in the following three areas to evaluate the overall effectiveness of projects funded under this competition:

(1) the effectiveness of individual services in enabling consumers to access previously unavailable transportation, appropriate accommodations to receive health care services, and/or assistive technology resulting in increased independence in at least one significant life area; (2) the effectiveness of individual services designed to help consumers move out of institutions and into community-based settings; and (3) the extent to which projects are participating in community activities to expand access to transportation, health care, assistive technology, and housing for individuals with disabilities in their communities. Grantees will be required to

report annually on the percentage of their consumers who achieve their individual goals in the first two areas and on the percentage of their staff, board members, and consumers involved in community activities related to the third area.

5. Continuation Awards: In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

SECTION C

SELECTION CRITERIA

SELECTION CRITERIA

34 CFR 366.27

§366.27 What selection criteria does the Secretary use?

In evaluating each application for a new center under this part, the Secretary uses the following selection criteria:

- (a) **Extent of the need for the project** (20 points).
 - (1) The Secretary reviews each application for persuasive evidence that shows the extent to which the project meets the specific needs for the program, including considerations of--
 - (i) The needs addressed by the project;
 - (ii) How the applicant identified those needs (e.g., whether from the 1990 census data or other current sources);
 - (iii) How those needs will be met by the project; and
 - (iv) The benefits to be gained by meeting those needs.
 - (2) The Secretary looks for information that shows that the need for the center has been established based on an assessment of the ability of existing programs and facilities to meet the need for IL services of individuals with significant disabilities in the geographic area to be served.
 - (3) The Secretary looks for information that shows--
 - (i) That the applicant proposes to establish a new center to serve a priority service area that is identified in the current State plan; and
 - (ii) The priority that the State has placed on establishing a new center in this proposed service area.
- (b) **Past performance** (5 points). The Secretary reviews each application for information that shows the past performance of the applicant in successfully providing services comparable to the IL core services and other IL services listed in section 7(29) and (30) of the Act and 34 CFR 365.21 and 365.22 and other services that empower individuals with significant disabilities.
- (c) **Meeting the standards and the assurances** (25 points). The Secretary reviews each application for information that shows--
 - (1) Evidence of demonstrated success in satisfying, or a clearly defined plan to satisfy, the standards in section 725(b) of the Act and Subpart G of this part; and
 - (2) Convincing evidence of demonstrated success in satisfying, or a clearly defined plan to satisfy, the assurances in section 725(c) of the Act and Subpart F of this part.
- (d) **Quality of key personnel** (10 points).
 - (1) The Secretary reviews each application for information that shows the qualifications of the key personnel the applicant plans to use on the project, including--
 - (i) The qualifications of the project director, if one is to be used;
 - (ii) The qualifications of each of the other management and decision-making personnel to be used in the project;
 - (iii) The time that each person referred to in paragraphs (d)(1)(I) and (ii) of this section will commit to the project;
 - (iv) How the applicant, as part of its nondiscriminatory employment practices, will ensure that its personnel are selected for employment without regard to race, color, national origin, gender, age, or disability; and

(d) Compliance indicator 4--Community options and community capacity. The center shall provide evidence in its most recent annual performance report that, during the project year covered by the center's most recent annual performance report, the center promoted the increased availability and improved quality of community-based programs that serve individuals with significant disabilities and promoted the removal of any existing architectural, attitudinal, communication, environmental, or other type of barrier that prevents the full integration of these individuals into society. This evidence must demonstrate that the center performed at least one activity in each of the following categories:

(1) Community advocacy.

(2) Technical assistance to the community on making services, programs, activities, resources, and facilities in society accessible to individuals with significant disabilities.

(3) Public information and education.

(4) Aggressive outreach to members of populations of individuals with significant disabilities that are unserved or underserved by programs under Title VII of the Act in the center's service area.

(e) Compliance indicator 5--IL core services and other IL services. The center shall provide evidence in its most recent annual performance report that it provides--

(2) As appropriate in response to requests from individuals with significant disabilities who are eligible for IL services from the center, the following services:

(i) IL skills training.

(ii) Peer counseling (including cross-disability peer counseling).

(iii) Individual and systems advocacy.

(iv) A combination, as appropriate, of any two or more of the IL services defined in section 7(30)(B) of the Act.

(f) Compliance indicator 6--Resource development activities. The center shall provide evidence in its most recent annual performance report that it has conducted resource development activities within the period covered by the performance report to obtain funding from sources other than Chapter 1 of Title VII of the Act.

(Approved by the Office of Management and Budget under control number 1820-0606.)

SECTION F

GENERAL INFORMATION ON COMPLETING AN APPLICATION

IMPORTANT – PLEASE READ FIRST
U.S. Department of Education
GRANTS.GOV SUBMISSION PROCEDURES AND
TIPS FOR APPLICANTS

To facilitate your use of Grants.gov, this document includes important submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education.

ATTENTION – Adobe Forms and PDF Files Required

Applications submitted to Grants.gov for the Department of Education will be posted using Adobe forms. Therefore, applicants will need to download the latest version of Adobe reader (at least Adobe Reader 8.1.2). Information on computer and operating system compatibility with Adobe and links to download the latest version is available on Grants.gov. We strongly recommend that you review these details on www.Grants.gov before completing and submitting your application. In addition, applicants should submit their application a day or two in advance of the closing date as detailed below. Also, applicants are required to upload their attachments in .pdf format only. (See details below under “Attaching Files – Additional Tips.”) If you have any questions regarding this matter please email the Grants.gov Contact Center at support@grants.gov or call 1-800-518-4726.

Also, applicants should be aware that on October 11, 2010, Grants.gov implemented a new security build which requires each organization’s e-Biz POC (Point of Contact) update their Grants.gov registration. To complete this step, the e-Biz POC must have their DUNS number and CCR MPIN. We recommend this step be completed several days before application submission unless the e-Biz POC has already responded to this requirement. For more information on this topic, please visit this Grants.gov information link: <http://www.grants.gov/securitycommebiz/>.

- 1) **REGISTER EARLY** – Grants.gov registration may take five or more business days to complete. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the Registration steps are complete. For detailed information on the Registration Steps, please go to: http://www.grants.gov/applicants/get_registered.jsp. [Note: Your organization will need to update its Central Contractor Registry (CCR) registration annually.]
- 2) **SUBMIT EARLY** – **We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded.** The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully before 4:30:00 p.m. Washington, DC time on the deadline date.

Note: To submit successfully, you must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov. This DUNS number is typically the same number used when your organization registered with the CCR (Central Contractor Registry). If you do not enter the same DUNS number on your application as the DUNS you registered with, Grants.gov will reject your application.

- 3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov and the Department of Education receive your Grants.gov submission timely and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 4:30:00 p.m. Washington, DC time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned.

If the date/time received is later than 4:30:00 p.m. Washington, D.C. time, on the deadline date, your application is late. If your application has a status of “Received” it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to “Validated” or “Rejected with Errors.” If the status is “Rejected with Errors,” your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site:

http://www.grants.gov/applicants/applicant_faqs.jsp#54. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Reader Error Messages document at <http://www.grants.gov/assets/AdobeReaderErrorMessages.pdf>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

SUBMISSION PROBLEMS—WHAT SHOULD YOU DO?

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or <http://www.grants.gov/contactus/contactus.jsp>, or use the customer support available on the Web site:

http://www.grants.gov/applicants/applicant_help.jsp.

If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30:00 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

HELPFUL HINTS WHEN WORKING WITH GRANTS.GOV

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to logon to Grants.gov to upload and submit the application. **You must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov.**

Please go to http://www.grants.gov/applicants/applicant_help.jsp for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Submit Application FAQs found on the Grants.gov website.
http://www.grants.gov/help/submit_application_faqs.jsp.

DIAL-UP INTERNET CONNECTIONS

When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date. **(See the Federal Register notice for detailed instructions.)**

MAC USERS

For MAC compatibility information, review the Operating System Platform Compatibility Table at the following Grants.gov link: http://www.grants.gov/help/download_software.jsp. **If electronic submission is required and you are concerned about your ability to submit electronically as a non-windows user, please follow instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)

ATTACHING FILES – ADDITIONAL TIPS

Please note the following tips related to attaching files to your application, especially the requirement that applicants **only include .pdf files** in their application:

1. Ensure that you attach **.PDF files only** for any attachments to your application. PDF files are the only Education approved file type accepted as detailed in the Federal Register application notice. Applicants must submit individual .PDF files only when attaching files to their application. Specifically, the Department will not accept any attachments that contain files within a file, such as PDF Portfolio files. Any attachments uploaded that are not .PDF files

or are password protected files will not be read. If you need assistance converting your files to a .pdf format, please refer to this Grants.gov webpage with links to conversion programs: http://www.grants.gov/help/download_software.jsp#pdf_conversion_programs

2. Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
3. When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded files must be less than 50 characters, contain no spaces, no special characters (example: -, &, *, %, /, #, \) including periods (.), blank spaces and accent marks. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.
4. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the total size of your package before submission.

APPLICATION TRANSMITTAL INSTRUCTIONS FOR MAIL AND HAND DELIVERY

SUBMISSION OF PAPER APPLICATIONS BY MAIL:

U.S. Department of Education
Application Control Center
Attention: (CFDA Number (84.132A))
LBJ Basement Level 1
400 Maryland Avenue, SW
Washington, DC 20202-4260

You must show proof of mailing consisting of one of the following:

If you mail your application through the U.S. Postal Service, we do **not** accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will **not** consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

SUBMISSION OF PAPER APPLICATIONS BY HAND DELIVERY:

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. NOTE FOR MAIL OR HAND DELIVERY OF PAPER APPLICATIONS:

If you mail or hand deliver your application to the Department:

- (1) You must indicate on the envelope and--if not provided by the Department--in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and
- (2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

COMMON QUESTIONS AND ANSWERS

Potential applicants frequently direct questions to officials of the Rehabilitation Services Administration (RSA) regarding application notices and programmatic and administrative regulations governing various direct grant programs. To assist potential applicants, RSA has assembled the following most commonly raised questions.

Q. Can we get an extension of the deadline?

- A. No. A closing date may be changed only under extraordinary circumstances. Any change must be announced in the Federal Register and apply to all applicants. Waivers for individual applications **cannot** be granted, regardless of the circumstances.

Q. If I qualify for an exception to the requirement to submit my application electronically and therefore submit in paper format, how many copies of the application should I submit?

- A. You are required to submit an original and two copies of your application.

Q. How can I be sure that my application is assigned to the correct competition?

- A. Applicants should clearly indicate in Block 11 of the face page of their application (Standard Form 424) the CFDA number and alpha suffix (e.g., 84.132A) and the title of the program or priority in which the application should be considered. If this information is not provided, your application may inadvertently be assigned and reviewed under a different competition from the one you intended.

Also, ensure that Block 14 of Standard Form 424 clearly shows the State and geographic area which the center plans to serve. If a center is planning to serve a contiguous area in two States, a separate application must be submitted for each State.

Q. What happens to my application after it is received in the Department?

- A. The Department's Application Control Center receives each application, assigns each an identifying number (PR/Award number), confirms receipt of applications, and sends the applications to the appropriate program office, which screens them for eligibility. The program conducts a peer review of all eligible applications sent to a program competition, ranks them, and recommends the highest ranked applications for funding, with exceptions as provided by law. The responsible official for the applicable program reviews the program office's recommendations, checks the adequacy of the documentation supporting the recommendations, and approves a final list, or slate, of recommended projects and funding amounts.

Q. What happens to my application if the Department finds it to be ineligible?

- A. The Department returns an application that does not meet the eligibility criteria for the particular program. A letter from the Department explaining why it is not being reviewed in the competition accompanies the application.

Q. How do the invitational, competitive, and absolute priorities differ?

- **Invitational Priority**
The Secretary may simply invite applicants to meet a priority. However, an application that addresses invitational priorities receives no competitive or absolute preference over applications that do not meet this priority.
- **Competitive Priority**
If a program uses weighted selection criteria, the Secretary may award selection points to an application that meets the priority. These points are in addition to any points the application earns under the selection criteria. The notice states the maximum number of additional points that the Secretary may award to applications that meet the priority in a particularly effective way. Or the Secretary may simply select applications that meet the competitive priority over applications of comparable merit that do not meet the priority.
- **Absolute Priority**
Under an absolute priority, the Secretary may select for funding only those applications that meet the priority.

Q. Where can I obtain copies of the Federal Register, program regulations, and federal statutes?

- A. The relevant Federal Register notice, program regulations, and federal statutes are included in this application package in Sections B, E, and F, respectively. In addition, free Internet access to the official edition of the Federal Register and the Code of Federal Regulations is available on GPO Access at: www.gpoaccess.gov/nara/index.html. The Rehabilitation Act of 1973, as amended, can be accessed at: <http://www.rsa.ed.gov/display.cfm?pageid=279>.

Q. How does the Department review an application?

- A. Each application is assessed by knowledgeable individuals from outside and sometimes inside the Department who are asked for their judgments about the quality and significance of the proposed project. These reviewers use the selection criteria specified in the Notice Inviting Applications. These individuals represent a diversity of disciplines and institutional, regional, and cultural backgrounds. The advice of these experts is compiled by Departmental staff that comment on matters of fact or on significant issues that would otherwise be missing from the review. The results are then presented to the official responsible for the program who approves the recommendations for funding.

Q. What criteria do the reviewers use when scoring an application?

- A. Reviewers score each application using the selection criteria published in the Federal Register as part of the program regulations. The selection criteria for this competition can be found in Section C of this application package. Reviewers are instructed to use only the published criteria.

Q. How long should an application be?

- A. The Department of Education is making a concerted effort to reduce the volume of paperwork associated with program applications. Consequently, the Secretary has limited the application to the following:

- (1) Application forms, budget, and other required forms;
- (2) A program narrative not to exceed 35 double-spaced pages in 12-point font (see Notice Inviting Applications in Section B of this application package for more specific instructions); and
- (3) Necessary appendices.

Your application should provide enough information to allow the review panel to evaluate the significance of the project against the criteria of the competition. Although reviewers are not required to consider information contained in appendices in their review, it may be helpful to include in the appendices such information as:

- (1) Staff qualifications. These should be brief. They should include the person's title and role in the proposed project and contain only information relevant to the proposed project. Qualification of consultants and advisory council members should be provided and be similarly brief. Individual vita should not exceed 2 pages.
- (2) Summary of results of previous evaluations of program effectiveness.

Your application will be rejected if you exceed the page limit or if you apply other standards and exceed the equivalent of the page limit.

Q. How should my application be organized?

- A. The application should be organized to follow the sequence of the components in Section G of this application package. A table of contents and a one-page abstract summarizing the project should precede the program narrative. For the instructions addressing the program narrative, including explanations of each of the selection criteria, see Part III of Section G of this application package. The selection criteria should be addressed in the order in which they appear in the instructions for the application narrative.

Q. Is travel allowed under these projects?

- A. Travel is an allowable cost. However, all requests for travel will be reviewed; the highest priority for travel will be given for travel directly related to the training or services being provided. As a general rule, travel is seldom approved for attending conferences, except for RSA sponsored conferences that project directors are requested to attend. Training for staff and governing board members will usually be approved for travel to training conducted by RSA Training and Technical Assistance grantees and to the annual training conference sponsored by the National Council on Independent Living.

Q. Is there a required matching of funds by the applicant?

- A. There is no required match in the Part C program; however, a plan for development of resources from other than Title VII of the Act is required as part of a center's work plan.

Q. How do I provide an assurance?

- A. Simply state in writing that you are meeting, and intend to continue to meet, a prescribed requirement.

Q. May an applicant obtain copies of successful, funded applications?

- A. Yes. An applicant may request copies of successful, funded applications. However, budget information, vitae, and other personal information will not be included.

Q. If my application is successful, will I receive the full amount that I requested?

- A. If staff determine, upon review of a successful application, that a cost in a particular budget category is not allowable, allocable, or reasonable, then staff may recommend a lower amount for the specific questioned cost than the applicant requested.

Q. If my application is successful, can I assume I will get the projected budget amounts in subsequent years?

- A. Depending on the availability of funding, a successful applicant can expect at least the amount contained in the approved budget for each year of the project. By requesting detailed budget information in the initial application for the total project period, the need for formal non-competing continuation applications in the remaining project years is eliminated. An Annual Performance Report that is required will be used to assess compliance with program standards and to determine eligibility for continued funding.

Q. Is a recommended application guaranteed funding?

A. No. Funding is not final until a grant award notification has been signed by the appropriate authorized representative of the U.S. Department of Education and mailed to the applicant.

Q. Once my application has been reviewed by the review panel, can you tell me the outcome?

A. No. Every year we are called by a number of applicants who have legitimate reasons for needing to know the outcome of the review prior to official notification. Some applicants need to make job decisions, some need to notify a State or local rehabilitation program, etc. Regardless of the reason, because final funding decisions have not been made at that point, we cannot share information about the review with anyone.

Q. How long does it take the Department to complete the review process?

A. Most review processes take from four to six months.

INSTRUCTIONS FOR DEPARTMENT OF EDUCATION SUPPLEMENTAL INFORMATION FOR SF 424

1. **Project Director.** Name, address, telephone and fax numbers, and e-mail address of the person to be contacted on matters involving this application.
2. **Novice Applicant.** Check “Yes” or “No” only if assistance is being requested under a program that gives special consideration to novice applicants. Otherwise, **leave blank.**

Check “Yes” if you meet the requirements for novice applicants specified in the regulations in 34 CFR 75.225 and included on the attached page entitled “Definitions for Department of Education Supplemental Information for SF 424.” By checking “Yes” the applicant certifies that it meets these novice applicant requirements. Check “No” if you do not meet the requirements for novice applicants.

3. **Human Subjects Research.** (See I. A. “Definitions” in attached page entitled “Definitions for Department of Education Supplemental Information for SF 424.”)

If Not Human Subjects Research. Check “No” if research activities involving human subjects are not planned at any time during the proposed project period. The remaining parts of Item 3 are then not applicable.

If Human Subjects Research. Check “Yes” if research activities involving human subjects are planned at any time during the proposed project period, either at the applicant organization or at any other performance site or collaborating institution. Check “Yes” even if the research is exempt from the regulations for the protection of human subjects. (See I. B. “Exemptions” in attached page entitled “Definitions for Department of Education Supplemental Information For SF 424.”)

- 3a. **If Human Subjects Research is Exempt from the Human Subjects Regulations.** Check “Yes” if all the research activities proposed are designated to be exempt from the regulations. Insert the exemption number(s) corresponding to one or more of the six exemption categories listed in I. B.

“Exemptions.” In addition, follow the instructions in II. A. “Exempt Research Narrative” in the attached page entitled “Definitions for Department of Education Supplemental Information Form SF 424.”

- 3a. **If Human Subjects Research is Not Exempt from Human Subjects Regulations.** Check “No” if some or all of the planned research activities are covered (not exempt). In addition, follow the instructions in II. B. “Nonexempt Research Narrative” in the page entitled “Definitions for Department of Education Supplemental Information Form SF 424

- 3a. **Human Subjects Assurance Number.** If the applicant has an approved Federal Wide (FWA) on file with the Office for Human Research Protections (OHRP), U.S. Department of Health and Human Services, that covers the specific activity, insert the number in the space provided. If the applicant does not have an approved assurance on file with OHRP, enter “None.” In this case, the applicant, by signature on the SF-424, is declaring that it will comply with 34 CFR 97 and proceed to obtain the human subjects assurance upon request by the designated ED official. If the application is recommended/selected for funding, the designated ED official will request that the applicant obtain the assurance within 30 days after the specific formal request.

Note about
Institutional Review Board Approval.

ED does not require certification of Institutional Review Board approval with the application. However, if an application that involves non-exempt human subjects research is recommended/selected for funding, the designated ED official will request that the applicant obtain and send the certification to ED within 30 days after the formal request.

Definitions:

Novice Applicant (See 34 CFR 75.225). For discretionary grant programs under which the Secretary gives special consideration to novice applications, a novice applicant means any applicant for a grant from ED that—

- Has never received a grant or subgrant under the program from which it seeks funding;
- Has never been a member of a group application, submitted in accordance with 34 CFR 75.127-75.129, that received a grant under the program from which it seeks funding; and
- Has not had an active discretionary grant from the Federal government in the five years before the deadline date for applications under the program. For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127-75.129, a group includes only parties that meet the requirements listed above.

PROTECTION OF HUMAN SUBJECTS IN RESEARCH

I. Definitions and Exemptions

A. Definitions.

A research activity involves human subjects if the activity is research, as defined in the Department's regulations, and the research activity will involve use of human subjects, as defined in the regulations.

—Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as “a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.” *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

—Human Subject

The regulations define human subject as “a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information.” *(1) If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met. (2) If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

- (1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.
- (2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation.
If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed.

Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed. [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]

- (3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.
- (4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.
- (5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.
- (6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked "Yes" for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects "exempt research" or "nonexempt research" narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

A. Exempt Research Narrative.

If you marked “Yes” for item 3 a. and designated exemption numbers(s), provide the “exempt research” narrative. The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption(s) are appropriate. The narrative must be succinct.

B. Nonexempt Research Narrative.

If you marked “No” for item 3 a. you must provide the “nonexempt research” narrative. The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

- (1) **Human Subjects Involvement and Characteristics:** Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable
- (2) **Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.
- (3) **Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent. State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.
- (4) **Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.
- (5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.
- (6) **Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.
- (7) **Collaborating Site(s):** If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

*Copies of the Department of Education’s Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the U.S. Department of Education, Protection of Human Subjects Coordinator, Office of the Chief Financial Officer, LBJ Building, 400 Maryland Avenue, SW, Washington, D.C. 20202-4250, telephone: (202) 260-3353, and on the U.S. Department of Education’s Protection of Human Subjects in Research Web Site:

Lines 1-11, columns (a)-(e): For each project year for which funding is requested, show the total amount requested for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If funding is requested for only one project year, leave this column blank.

Line 12, columns (a)-(e): Show the total budget request for each project year for which funding is requested.

Line 12, column (f): Show the total amount requested for all project years. If funding is requested for only one year, leave this space blank.

Indirect Cost Information: If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. (1): Indicate whether or not your organization has an Indirect Cost Rate Agreement that was approved by the Federal government.

If you checked "no," ED generally will authorize grantees to use a temporary rate of 10 percent of

budgeted salaries and wages subject to the following limitations:

- (a) The grantee must submit an indirect cost proposal to its cognizant agency within 90 days after ED issues a grant award notification; and
- (b) If after the 90-day period, the grantee has not submitted an indirect cost proposal to its cognizant agency, the grantee may not charge its grant for indirect costs until it has negotiated an indirect cost rate agreement with its cognizant agency.
- (2): If you checked "yes" in (1), indicate in (2) the beginning and ending dates covered by the Indirect Cost Rate Agreement. In addition, indicate whether ED, another Federal agency (Other) or State agency issued the approved agreement. If you check "Other," specify the name of the Federal or other agency that issued the approved agreement.
- (3): If you are applying for a grant under a Restricted Rate Program (34 CFR 75.563 or 76.563), indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement or whether you are using a restricted indirect cost rate that complies with 34 CFR 76.564(c)(2). Note: State or Local government agencies may not use the provision for a restricted indirect cost rate specified in 34 CFR 76.564(c)(2). Check only one response. Leave blank, if this item is not applicable.

Section B—Budget Summary Non-Federal Funds

Line 12, column (f): Show the total amount to be contributed for all years of the multi-year project. If non-Federal contributions are provided for only one year, leave this space blank.

Section C—Budget Narrative [Attach separate sheet(s)]
Pay attention to applicable program specific instructions, if attached.

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.
2. For non-Federal funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:
 - a. The specific costs or contributions by budget category;
 - b. The source of the costs or contributions; and
 - c. In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services.

[Please review ED's general cost sharing and matching regulations, which include specific limitations, in 34 CFR 74.23, applicable to non-governmental entities, and 80.24, applicable to governments, and the applicable Office of Management and Budget (OMB) cost

principles for your entity type regarding donations, capital assets, depreciation and use allowances. OMB cost principle circulars are available on OMB's website at: <http://www.whitehouse.gov/omb/circulars/index.html>]

3. If applicable to this program, provide the rate and base on which fringe benefits are calculated.
4. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at: <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

You may also contact (202) 377-3838 for additional information regarding calculating indirect cost rates or general indirect cost rate information.

SECTION G

PART III PROGRAM NARRATIVE

INSTRUCTIONS FOR PROGRAM NARRATIVE

A narrative that addresses the selection criteria that will be used by reviewers in evaluating individual proposals is required. Applications are more likely to receive favorable reviews by panels when the program narrative is organized according to the format suggested below. If you prefer to use a different format, you may wish to cross-reference the section of your application to the selection criteria to be sure that reviewers are able to find all relevant information.

Include an abstract with your application. This abstract should be an overview statement (not more than a one page abstract) that summarizes the mission, goals and objectives, the target population and service area, the impact, and the expected outcomes or benefits of the project. Please make this a separate page so it may be pulled from the application to include with funding recommendation documents.

Prepare a Program Narrative in accordance with the following instructions. Before preparing the Program Narrative, applicants should carefully review the program regulations contained in 34 CFR Parts 364 and 366 (which can be found in Section F of this application package), paying special attention to the selection criteria listed in 34 CFR 366.27 (which can be found in Section D of this package). The Program Narrative must respond to the selection criteria identified in the program regulations; however, applicants should address the criteria in the same order as they appear in this section, a different order from the order the criteria are presented in the regulations.

In addition, applicants should read the applicable parts of the Education Department General Administrative Regulations (EDGAR) in Title 34 of the Code of Federal Regulations. These regulations set forth all general rules affecting application submittal, review, grant award, and post-award administration for Department of Education grant programs. References to the applicable sections of EDGAR can be found in the Dear Applicant letter (found in Section A of this application package) and in the Notice Inviting Applications (found in Section B of this package).

You must limit the Program Narrative to 35 pages, double-spaced in 12-point font, and number pages consecutively. The narrative should be written concisely. Only the required information should be submitted. If appendices or other supplemental materials are included, they must be kept to a minimum and must substantiate what is proposed in the narrative, e.g., the results of a needs survey or letters of commitment from organizations that will have significant involvement with the project. All vitae should be limited to one page in length showing the source and date of earned degrees, experience relevant to working the individuals who are disabled and the person's direct relationship to the project, e.g., how the person will function in the project. Please refer to Section IV of the Notice Inviting Applications (found in section B of this package) for specific instructions on preparing and formatting your application.

To facilitate application review, it may be helpful to the success of your application if the Program Narrative responds to the selection criteria in the following order:

(A) Extent of the need for the project**(20 points)**

- (1) The Secretary reviews each application for persuasive evidence that shows the extent to which the project meets the specific needs for the program, including considerations of –
 - (I) The needs addressed by the project;
 - (II) How the applicant identified those needs (e.g., whether from census data or other current sources);
 - (III) How those needs will be met by the project; and
 - (IV) The benefits to be gained by meeting those needs.
- (2) The Secretary looks for information that shows that the need for the center has been established based on an assessment of the ability of existing programs and facilities to meet the need for IL services of individuals with significant disabilities in the geographic area to be served.
- (3) The Secretary looks for information that shows –
 - (I) That the applicant proposes to establish a new center to serve a priority service area that is identified in the current State plan; and
 - (II) The priority that the State has placed on establishing a new center in this proposed service area.

Note: It is important for the applicant to note that this criterion is in two parts: (1) the needs addressed by the project, how the applicant identified the needs, how the needs will be met by the center, and the benefits to be gained; and (2) if the applicant is planning to serve an area identified in the SPIL and in this application package as a priority area, the applicant should provide information showing that the service area comes within a SPIL priority and what priority the State has placed on the particular area to be served. If a statement from the State is included in the application submitted, the applicant may wish to note that fact in the Program Narrative.

(B) Past performance**(5 points)**

The Secretary reviews each application for information that shows the past performance of the applicant in successfully providing services comparable to the IL core services and other IL services listed in section 7(29) and (30) of the Act and 34 CFR 364.4(b) and other services that empower individuals with significant disabilities.

Note: The IL core services are information and referral, IL skills training, peer counseling, including cross-disability peer counseling, and individual and systems advocacy.

(C) Meeting the standards and the assurances

(25 points)

The Secretary reviews each application for information that shows –

- (1) Evidence of demonstrated success in satisfying, or a clearly defined plan to satisfy, the standards in section 725(b) of the Act and the indicators in 34 CFR 366, Subpart G (366.60 – 366.63).
- (2) Convincing evidence of demonstrated success in satisfying, or a clearly defined plan to satisfy, the assurances in section 725(c) of the Act and 34 CFR Part 366.50.

Note: In addressing the plan of operation and meeting the standards and assurances criteria, the applicant should develop a three-year workplan meeting the requirements of section 725(c)(4) of the Act. **Only the first year of the plan needs to be submitted with this application.** In developing the workplan, it may be helpful for the applicant to review the standards and assurances in 34 CFR Part 366, Subparts F and G (see Section F of this package). The workplan should be specific and measurable so that, at the end of each project year, the center can compare its achievements against its projected goals. *For example:*

- (i) Goals and activities. Include long term goals and specific activities planned to meet the requirements of each of the standards in section 725 of the Act, and the indicators in 34 CFR Part 366, Subpart G.
- (ii) Advocacy. Include details of how the center plans to achieve its social change goals, including, but not limited to:
 - (a) A community advocacy plan and related activities;
 - (b) A technical assistance plan and related activities;
 - (c) A plan for collaboration with other agencies and groups to further communication, coordination, and cooperation along with related activities; and
 - (d) Affirmative action plans.
- (iii) Resource development. Include the center's goals and activities for obtaining and increasing funding (including in-kind) from sources other than Title VII of the Act.
- (iv) Outreach. Describe the center's plan for outreach to consumers who are members of populations of individuals with significant disabilities, including minorities, who are unserved or underserved.
- (v) Community and individual IL service needs. Identify the community and individual IL services the center anticipates providing, and how services will be coordinated with other service providers to avoid duplication. Ensure that the intended services are consistent with the approved State plan in the State in which the center plans to provide services.

- (vi) Response to needs. Include in the work plan, if appropriate, how the center plans to respond to particular needs identified from needs assessments or surveys or potential consumers in the intended service area.
- (vii) Training. Include plans for training governing board, employees, volunteers, and consumers, e.g., staff development, IL philosophy, ADA, self-advocacy and personal power.

(D) Quality of key personnel

(10 points)

- (1) The Secretary reviews each application for information that shows the qualifications of the key personnel the applicant plans to use on the project, including –
 - (I) The qualifications of the project director, if one is to be used;
 - (II) The qualifications of each of the other management and decision-making personnel to be used in the project;
 - (III) The time that each person referred to in paragraphs (D)(1)(I) and (II) of this section will commit to the project;
 - (IV) How the applicant, as part of its nondiscriminatory employment practices, will ensure that its personnel are selected for employment without regard to race, color, national origin, gender, age, or disability; and
 - (V) The extent to which the applicant, as part of its nondiscriminatory employment practices, encourages applications for employment from persons who are members of groups that have been traditionally under-represented, including –
 - (A) Members of racial or ethnic minority groups;
 - (B) Women;
 - (C) Persons with disabilities; and
 - (D) Elderly individuals.
- (2) To determine personnel qualifications under paragraphs (d) (1) (I) and (ii) of this section, the Secretary considers –
 - (I) Experience and training in fields related to the objectives of the project; and
 - (II) Any other qualifications that pertain to the objectives of the project.

Note: This section should identify the person (**or a recruitment plan for the person if individuals are not named**) being proposed for each position presented in the management plan and the time commitment allocated to the position. Each person's qualifications should be

presented in a manner that shows a clear relationship to the selection criteria for that designated position. This section should also describe procedures for encouraging applicants for employment from persons who are members of groups that have been traditionally underrepresented such as members of racial or ethnic minority groups, women, persons with disabilities, and the elderly. Finally, a full disclosure of all time commitments should be included for each person listed in the application. The application should include information to show how the center will meet the requirements that over 50 percent of the decision makers and over 50 percent of the staff of the center must be individuals with disabilities; and over 50 percent of the governing board must be individuals with significant disabilities.

(E) Budget and cost effectiveness

(10 points)

The Secretary reviews each application for information that shows the extent to which –

- (1) The budget is adequate to support the project; and
- (2) Costs are reasonable in relation to the objectives of the project.

Note: In addressing this criterion and in developing the budget for the center, consideration should be given to the relationship between the budget and the plan of operation, e.g., is the budget adequate or inadequate in view of what the applicant proposes to do. **The budget submittal covers the full five years of the projects. See Section H, Part II of this package – Budget Information.**

(F) Evaluation plan

(5 points)

The Secretary reviews each application for information that shows the quality of the evaluation plan for the project, including the extent to which the applicant's methods of evaluation –

- (1) Are appropriate for the project;
- (2) Will determine how successful the project is in meeting its goals and objectives; and
- (3) Are objective and produce data that are quantifiable.
- (4) (Cross-reference: See 34 CFR 75.590.)

Note: The section of the application should describe procedures to assure that the project's activities are being implemented appropriately and the project objectives are being met. The evaluation plan should include the self-evaluation required by section 725(c)(8) of the Act and 34 CFR 366, Subpart G.

(G) Plan of operation

(20 points)

The Secretary reviews each application for information that shows the quality of the plan of operation for the project, including

- (1) The quality of the design of the project;
- (2) The extent to which the plan of management ensures proper and efficient administration of the project;
- (3) How well the objectives of the project relate to the purpose of the program;
- (4) The quality and adequacy of the applicant's plan to use its resources (including funding, facilities, equipment, and supplies) and personnel to achieve each objective;
- (5) How the applicant will ensure that project participants who are otherwise eligible to participate are selected without regard to race, color, national origin, gender, age, or disability; and
- (6) A clear description of how the applicant will provide equal access to services for eligible project participants who are members of groups that have been traditionally under-represented, including –
 - (I) Members of racial or ethnic minority groups;
 - (II) Women;
 - (III) Elderly individuals; and
 - (IV) Children and youth.

Note: When addressing this criterion, please consider the note following paragraph (d) of this section.

(H) Involvement of individuals with significant disabilities

(5 points)

- (1) The Secretary reviews each application for information that shows that individuals with significant disabilities are appropriately involved in the development of the application.
- (2) The Secretary looks for information that shows that individuals with significant disabilities or their parents, guardians, or other legally authorized advocates or representatives, as appropriate, will be substantially involved in planning, policy direction, and management of the center, and, to the greatest extent possible, that individuals with significant disabilities will be employed by the center.

Note: This criterion should address how individuals with disabilities were involved in the development of the concept of a center in the area to be served; how their input was obtained and considered in identifying the unmet needs and the scope of services necessary to meet the needs; how they were involved in the development of the plan of operation, identification and selection of key personnel or the plan to obtain personnel to govern and operate a center; how potential

consumers of services from the proposed center will be involved in development of management policies and the scope and provision of services; and how such individuals were involved in the development of the grant application.

SECTION H

OTHER IMPORTANT INFORMATION

EXECUTIVE ORDER 12372

(INTERGOVERNMENTAL REVIEW OF FEDERAL PROGRAMS)

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at:

<http://www.whitehouse.gov/omb/grants/spoc.pdf>

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7E200. 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (eastern time) on the closing date indicated in this notice.

NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about a new provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P.L.) 103-382).

TO WHOM DOES THIS PROVISION APPLY?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

WHAT DOES THIS PROVISION REQUIRE?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

WHAT ARE EXAMPLES OF HOW AN APPLICANT MIGHT SATISFY THE REQUIREMENT OF THIS PROVISION?

The following examples may help illustrate how an applicant may comply with Section 427.

- (1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.

(2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.

(3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

THE GOVERNMENT PERFORMANCE AND RESULTS ACT (GPRA)

WHAT IS GPRA?

The Government Performance and Results Act of 1993 is a statute that requires all Federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what it intends to accomplish, identify the resources required, and periodically report its progress to the Congress. In doing so, it is expected that GPRA will contribute to improvements in accountability for the expenditures of public funds, improve Congressional decision-making through more objective information on the effectiveness of Federal programs, and promote a new government focus on results, service delivery, and customer satisfaction

WHAT ARE THE GPRA MEASURES FOR THE CENTERS FOR INDEPENDENT LIVING PROGRAM?

Objective: Through the provision of IL services (including the four IL core services), increase the percentage of consumers who report having access to services needed to improve their ability to live more independently and participate fully in their communities.

Measure: The percentage of Independent Living Centers consumers who report having access to previously unavailable appropriate accommodations to receive health care services, as a result of direct services provided by an Independent Living Center (including referral to another service provider).

Measure: The percentage of Independent Living Centers consumers who report having access to previously unavailable assistive technology which results in increased independence in at least one significant life area, as a result of direct services provided by an Independent Living Center (including referral to another service provider).

Measure: The percentage of Independent Living Centers consumers who report having access to previously unavailable transportation, as a result of direct services provided by an Independent Living Center (including referral to another service provider).

Measure: The percentage of Independent Living Centers consumers who move out of institutions into a community-based setting through the provision of Independent Living services (including the four independent living core services).

SURVEY ON ENSURING EQUAL OPPORTUNITY FOR APPLICANTS

PURPOSE

The Federal government is committed to ensuring that all qualified applicants, small or large, non-religious or faith-based, have an equal opportunity to compete for Federal funding. In order for us to better understand the population of applicants for Federal funds, we are asking nonprofit private organizations (not including private universities) to fill out this survey.

Upon receipt, the survey will be separated from the application. Information provided on the survey will not be considered in any way in making funding decisions and will not be included in the Federal grants database. While your help in this data collection process is greatly appreciated, completion of this survey is voluntary.

INSTRUCTIONS FOR SUBMITTING THE SURVEY

If you are applying using a hard copy application, please place the completed survey in an envelope labeled "Applicant Survey." Seal the envelope and include it along with your application package. If you are applying electronically, please submit this survey along with your application.

INSTRUCTIONS FOR REIMBURSEMENT OF INDIRECT COSTS

The Department of Education (ED) reimburses grantees for its portion of indirect costs that a grantee incurs in projects funded by the CIL Program (84.132A). Any grantee charging indirect costs to a grant from this program must use the indirect cost rate (**ICR**), negotiated with its *cognizant agency*, i.e., either the Federal agency from which it has received the most direct funding, subject to indirect cost support, the particular agency specifically assigned cognizance by the Office of Management and Budget or the State agency that provides the most subgrant funds to the grantee. If appropriate, in lieu of an ICR, CILs may negotiate a Cost Allocation Plan with ED's Indirect Cost Group. If a CIL has more than one source of funding, it must have either an ICR or a cost allocation plan in place.

Note: Applicants should pay special attention to specific questions on the application budget form (ED 524) about their cognizant agency and the ICR they are using in their budget.

If an applicant selected for funding under this program has not already established a current ICR with its cognizant agency, ED generally will authorize the grantee to use a temporary rate, of 10 percent of budgeted direct salaries and wages subject to the following limitations:

1. The grantee must submit an indirect cost rate proposal to its cognizant agency within 90 days after ED issues the GAN.
2. If after the 90-day period, the grantee has not submitted an indirect cost rate proposal to its cognizant agency, the grantee may not charge its grant for indirect costs (except when ED finds exceptional circumstances) until it has negotiated an indirect cost rate agreement with its cognizant agency.
3. Once the grantee has negotiated an ICR with its cognizant agency, the grantee will be required to make certain adjustments to recover the correct amount of indirect costs authorized for the period before it negotiated the ICR.

Applicants should be aware that ED is very often **not** the cognizant agency for its own grantees. Rather, ED accepts, for the purpose of funding its awards, the current ICR established by the appropriate cognizant agency.

Applicants are encouraged to have an accountant calculate a proposed indirect cost rate using current information from its audited financial statements, actual cost data or IRS Form 990. Applicants should use this proposed rate in their application materials and describe which of these methods they used to calculate the rate. Guidance related to calculating an indirect cost rate can be found on ED's website at:

<http://www.ed.gov/about/offices/list/ocfo/fipao/icgindex.html>.

Applicants with questions about using indirect cost rates under this program should contact the program contact person shown elsewhere in this application package.

The D-U-N-S Number is a unique nine-digit number that does not convey any information about the recipient. A built in check digit helps assure the accuracy of the D-U-N-S Number. The ninth digit of each number is the check digit, which is mathematically related to the other digits. It lets computer systems determine if a D-U-N-S Number has been entered correctly.

Dun & Bradstreet, a global information services provider, has assigned D-U-N-S numbers to over 43 million companies worldwide. Live help Monday-Friday 8am-6pm (EST) Dial 1.800.234.3867
